

1.1 Managed Service AWS

Classification des Services Natifs AWS par complexité :

Table 1: Complexité « Services Natifs AWS »

Unité de Service Simple	Unité de Service Medium	Unité de Service High
IAM AWS Config AWS Health EC2 (uniquement OS managé, hors middleware, BDD, etc...) AMI VPC (& Endpoints) EBS AWS Secrets Manager	CloudFormation CloudTrail CloudWatch ELB (ALB/NLB) Route 53 VPN CloudFront Transit GTW AWS Security Hub Amazon Cognito Data Lifecycle Manager License Manager RDS (PostgreSQL/Oracle) Redshift Elasticache EFS FSx S3 Glacier Certificate Manager KMS RDS Proxy Fargate*	Lambda* Systems Manager Dynamo DB Cloud HSM Directory Service Firewall Manager GuardDuty Inspector AWS Shield (Advanced) WAF API GW

* : Les micros services ou Cluster(s) gérés par les services natifs définis ci-dessus et validés dans le HLD avec le Client pourront faire l'objet d'une facturation spécifique.

1.2 Managed Service Azure

Classification des Services Natifs Microsoft Azure par complexité :

Table 2: Complexité « Services Natifs Azure »

Unité de Service Simple	Unité de Service Medium	Unité de Service High
Azure Batch	App Service	Service Fabric
Container Registry	App Service (Linux)	Lab Services
Virtual Machines	Azure Functions	Azure Active Directory
VM Scale Sets	Container Instances	Azure Sentinel
App configuration	Dedicated Host	Security Center
Automation	Azure DevOps	Event Grid
Azure Advisor	DevTest Labs	Logic Apps
Azure Arc	Visual Studio App Center	Service Bus
Azure Backup	Azure AD B2C	Cost Management
Azure Blueprints	Azure AD DS	Managed Apps
Azure Lighthouse	Azure Key Vault	Azure Migrate
Azure Monitor	API Management	Data box
Azure Policy	Notification Hubs	DB Migration Service
Azure Portal	Azure Bastion	Site Recovery
Cloud Shell	Azure DNS	VPN Gateway
Scheduler	Azure Front Door	Azure SQL Database
Application Gateway	Load Balancer	Azure Database for PostgreSQL
Azure Firewall	Network Watcher	Azure Database for MariaDB
Express Route	Traffic Manager	
Private Link	Azure Database for MySQL	
Virtual Network		
Azure Storage		
Managed Disks		
StorSimple		
Azure CDN		
Media Services
