Step 4. Insert the credentials received during payment creation and Login into Clouds Brain- Market place

Step 5. Upload the Cloud assess / secrete keys and credentials in the portal.

Click2Cloud Clouds Brain Deployment Guide

Step 6. Deploy your workloads on Flexible Engine cloud

The screenshot displays the Click2Cloud CloudsBrain dashboard. At the top, there is a navigation bar with the Click2Cloud Marketplace logo and the CloudsBrain logo. Below this, a 'Deployment Process' section is visible, with a 'Flexible Engine' tab selected. The main area features a 'Deployment History' table with columns for Application, Platform, Location, Deployment ID, Deployment Date, License Expire Date, and Status. To the right of the table, there are two promotional cards: one for Cloudsintel and another for OPEN SEC CLOUD. At the bottom, there is a contact information section and a footer with copyright and social media links.
