2.2. Support

Support Type	Description	Service Commitment Terms	Pricing (€)
Start	Documentation, Frequently Asked Questions (FAQ), and online forums are available through our website for self-service access by all Service customers. Billing support is also provided by the Cloud Xtended Kiosk team. This package is ideally suited for launching a Proof of Concept (PoC) or initiating a Move to Cloud project, while benefiting from guidance from our Professional Services (PS) teams from the very first stages of your cloud transformation journey. At the end of the Start package commitment period, support will <u>automatically</u> transition to the Grow package, which provides enhanced support and guidance.	Maximum duration of 6 months, with a maximum monthly consumption of 5,000€.	75 € / month
Grow	Recommended default support level for customers benefiting from Professional Services engagements (e.g., Move to Cloud projects).	Minimum commitment period of six (6) months and available only in conjunction with Professional Services.	For AWS: Pricing is set at 2% of the monthly consumption of resources based on the Supplier's public list prices, subject to a minimum charge of €100 per month, excluding any setup fees. AWS Support charges are invoiced to the Customer in accordance with the Supplier's pricing terms for the entire duration during which the AWS Support Plan is activated. For the applicable AWS Support pricing, please refer to: https://aws.amazon.com/en/premiumsupport/pricing/
Scale	Recommended support level for the infrastructure components of Orange Business managed solutions.
